Athletic / recreational activities c. Administrative use d. Professional development 2. All approved drivers of College vehicles must hold a valid operator's license pertaining to the type and size of vehicle being used in accordance with Government of Alberta legislation. 3. All vehicles are to be operated in a safe, courteous and lawful manner at all times. 4. The costs for the operation of all vehicles are under the Campus Facilities transportation budget. Departments will be charged for vehicle use monthly. The following rates will be reviewed annually to align with real market rates. <ol style="list-style-type: none"> a. The chargeback will be \$0.50/km on standard vehicles b. The chargeback will be \$1.30/km on buses 5. Travel beyond a 300 km (defined as the distance from Olds College to the meeting/conference/business destination) distance requires approval from the appropriate Manager/Director/Vice President in the form of an email to Campus Facilities (campusfacilities@oldscollege.ca) with a subject line Fleet Vehicle Approval. This ensures a full cost consideration occurs. (This does not apply to PD requests for OCFA as they are subject to committee approval). 6. Vehicle replacement is completed by way of a capital replacement cycle under the authority of the Director of Campus Facilities & Sustainability. 7. Vehicles will not be used where there is any question of safety or the vehicle is not operating properly. 8. Smoking is not permitted in any College-owned vehicle. 9. The transportation of personal pets is strictly prohibited. Transportation of

animals for program requirements is allowed as long as pets are kenneled and the vehicle is returned in the state it was received.

10. Drivers are expected to use cell phones in accordance with distracted driving legislation as provided in the Traffic Safety Act and Regulations.
11. Costs incurred due to blatant misuse or negligence (damage to vehicle, or vehicle left in unreasonably dirty condition) will be charged to the user(s). The condition of the returned must be identical to the condition the vehicle was acquired in.
12. Drivers are required to report in writing if they receive a ticket or are charged with a moving violation while operating a College fleet vehicle. This report is to be provided to the individual responsible for fleet bookings in Campus Facilities and the Insurance Administrator.
13. If an accident/incident occurs off-campus, notify the RCMP or local police. All accidents involving College-owned vehicles must be reported immediately to the Mechanic, Campus Facilities. An accident report must be submitted to Campus Facilities within 24 hours, with a copy to the insurance Administrator.
14. Drivers have the right to refuse any passenger or trip that he/she feels will put him/herself, the passengers, or the vehicle in an unsafe environment.
15. Drivers are responsible to ensure that neither illegal substances nor alcohol are consumed in vehicles. Drivers cannot operate a College vehicle after having consumed an alcoholic beverage(s) or used an illegal substance. Care should be taken when consuming prescription drugs when required to drive. Drivers under any medical treatment requiring prescription medication that may affect their driving ability are not permitted to drive.
16. Failure to comply with these procedures will result in the loss of College Vehicle privileges.
17. Prior to driving any College vehicle:
 - a. New employees are required to complete and sign the [Driver Authorization Form](#). This form is made available on OC Connect under the College Vehicles Policy. Please return to the Controller in Business Services as noted on the form. The form will allow the College's Insurance Company to obtain a copy of the employee's driver's abstract.
 - b. Current drivers, including bus drivers, are required to complete and sign the [Driver Authorization Form](#) prior to driving a college vehicle. This form must be handed in to the Controller in Business Services as noted on the form. The form will allow the College's Insurance Company to obtain a copy of the employee's driver's abstract.
18. Should the Insurance Company advise that an employee has convictions resulting in insurance surcharges payable by the College, the College's Insurance Administrator will sign an endorsement for the Insurance Company stating that these employees are not authorized to drive fleet vehicles. The Insurance Administrator will send an email notifying the employee that he/she is not allowed to drive college vehicles and will forward a copy to Campus Facilities. A driver whose license has been revoked will be denied driving privileges.

Central Vehicle Pool

1. Central Pool Vehicles are booked for College business through Campus Facilities. If a vehicle is available, Campus Facilities will prepare a Vehicle Request Form. If a vehicle is not available, the requestor will have to make

other arrangements.
