

As part of the admissions process, you are required to send your transcripts and proof of the academic credentials earned to date to the Olds College Admissions Office. Document assessment will be completed by Olds College. The documents listed below are required to be considered for admission to a certificate or diploma program.

Certified official documents issued by your high school, college or university sent in a sealed envelope bearing the institution's seal, stamp or signature are required (unless otherwise noted). Certified English translations must be supplied for all documents originally written in a language other than English. Translations must be complete, word-for-word and in the same format as the original document.
