

## LEARNING COMMONS GOVERNANCE AND MANAGEMENT

This procedure is governed by its parent policy. Questions regarding this procedure are to be directed to the identified Procedure Owner.

<b>Category:</b>	C. Campus Infrastructure
<b>Parent Policy:</b>	C06
<b>Approval Date:</b>	January 15, 2024
<b>Effective Date:</b>	January 15, 2024
<b>Procedure Owner:</b>	Director, Teaching & Learning Centre of Innovation

<b>Overview:</b>	The following procedures outline the governance of the Learning Commons space, the Library, and the services provided within.
<b>Procedures:</b>	<p><b>Assets</b></p> <ol style="list-style-type: none"> <li>1. The physical and virtual space will be governed in adherence to the Employee Code of Conduct, Student Code of Conduct and the Memorandum of Understanding for the Chinook's Edge School Division and Olds College of Agriculture &amp; Technology Library/Learning Commons which will ensure the space provided complies with the governance policy. The space will be available for use by primary clients as well as members of the public.</li> <li>2. Furnishings will be maintained and provided to ensure the space is conducive to a healthy and productive workspace for Learning Commons users.</li> <li>3. Physical and digital resources will be evaluated and maintained in accordance with policy A44 Library Collection Development.</li> <li>4. Technological devices will be maintained in collaboration with the Information Technology department to ensure primary clients have access to relevant pieces of technology in accordance with the College academic direction.</li> <li>5. Staff with appropriate training and knowledge will fall under the purview of the Director, Teaching &amp; Learning Centre of Innovation, and be provided to ensure the services available are provided in a satisfactory manner.</li> <li>6. The Learning Commons hours of operation will be reflective of students, staff and faculty requirements according to relevant data collected through historical and anecdotal records to ensure the Learning Commons time is used in an efficient and appropriate manner.</li> </ol>

7. The budget for the Learning Commons and Library will be managed by the Director, Teaching & Learning Centre of Innovation, in accordance with the needs of the institution to support the academic direction of students, staff and faculty.

### Services

1. All Information provided to and collected from students, staff and faculty will adhere to the College policy A18 Information Access and Protection of Privacy.
2. All services provided by Teaching & Learning Centre of Innovation (TLCI) will aim to further the College's strategic direction and mandate as well as the needs of students, staff and faculty of the College. In addition, services provided will align with the Memorandum of Understanding for The Chinook's Edge School Division and Olds College Library/Learning Commons to ensure these stakeholder's clients have access to the services agreed upon.
3. The Learning Commons provides an environment encouraging the access to academic and Indigenous support services for students, staff and faculty of the College.
4. Library Services are made available to students, staff and faculty of both the College and Olds High School and will be provided by staff of TLCI. Development of additional library services will fall within the guidelines of policy A44 Library Collection Development, as well as consultation with the College's staff and faculty, and Olds High School.
5. Technical support will be diagnosed and triaged by the Service Desk personnel and elevated to the correct member of the Information Technology team as necessary. Student, staff and faculty personal devices are not supported by the Service Desk.
6. The MakerSpace services will be available to students, staff, faculty and members of the public as coordinated by the Manager, Educational Technology & Learning Commons. Academic projects will be given priority within the MakerSpace.
7. The individual and group study spaces, meeting rooms and open areas are bookable in accordance with policy A45 Bookable Assets.
8. Indigenous services, supports and activities are provided by the Indigenous Services team to students, staff, faculty and the community.
